

LEAGUE RULES & REGULATIONS

CORNHOLE

UPDATED 3/15/23

Gameplay

- Two teams, 2 players vs. 2 players.
- 8 bags total, 4 bags per team.
- Boards place 27 feet apart from each other.
- A coin flip decides which team goes first (another activity such as rock, paper, scissors or “spinning the bag” can be agreed upon).
- Team members face each other at the opposite board.
- The foul line cannot be crossed (the front side of the board)
- Players alternate throws until no bags remain.
- The score is then counted, the winner of the previous round throws first in the upcoming round.
- **Scoring:**
 - **3 points:** Bag in the hole without committing a foul.
 - **1 point:** Bag on board surface without committing a foul.
 - **0 points:** Bag touches ground during play.
 - After all bags have been tossed, point differential is calculated and added to the correct team.
 - First to **21 points** wins.

General rules

- Game scores must be reported to the game sheet board immediately after your game has been completed. If no score is reported, said game will be entered into the system with a 0-0 score until a team reports a score to Longplex.
- 3 games will be played each week of the regular season. Each game will have a 20 minute game clock running for teams to complete their games within. There will be a grace period of a few minutes between games for players to order drinks, use the bathroom, socialize, ect.
- All teams must have a designated team captain in our system that will serve as the primary lines of communication between Longplex and the team.
- The schedule will be made in advance in exception for the first week. This will allow teams that did not register online to show up and play the first week.
- **Forfeits:**
 - If your team is unable to play a certain week, please call Longplex and notify a staff member or email jace@longplex.com.
 - Showing up late will result in a forfeit for said games missed unless the opposing team agrees to reschedule the match. Rescheduling of the match will most likely be played on the same night once all games have been completed, if allocated enough time.
 - Substitute players will be allowed during the regular season. If you are unable to obtain a substitute player you will have to forfeit that week of games.

- Substitute players are not allowed in the postseason. If both players who initially signed up for the league cannot attend postseason matches it will result in a forfeit.
- You are not allowed to play with 1 player during the regular season or post season.
- Postseason brackets will be **DOUBLE** elimination.

Payments

- All players must be registered for a Longplex account and listed on the teams roster.
- The \$100 dollar entry per team must be paid before week 1.
- Payments can be split between the two players on a team.
